## Team of Two

It's a success!!! The team was a huge success. We had a little difficulty getting started, but the Lord was in charge, and He quickly fixed the problems. Some people might think "what's the point of just two people?" In truth all of us thought that in the beginning, even the two ladies. But again the Lord would win out and we had a great time of fellowship, ministry, and spiritual growth.

Introducing our two missionaries arriving in Belize:  
Nancy Short & Geraldine Dooley

Welcome to Belize and Perfect Peace Ministries Inc.

With such a short amount of time, and so much to get done, we got right into the work project.... sewing curtains for the dining room & kitchen, staff houses, and dorms.

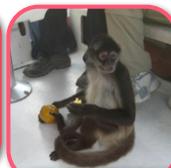

## Helping with the "Soup Ministry"

Johnny and Olga Chee felt the Lord leading them to start the soup ministry. They stepped out in faith, and provide meals, songs, and prayers to those in need weekly.

Along with the work project, the ladies were able to help our church in delivering soup to housebound seniors in Orange Walk. It is difficult to see the conditions that so many of these "children of God" are forced to live in, and to consider the neglect and loneliness they endure daily. But the Lord is the mainspring of their lives and it is humbling to listen to them share their love for Jesus in spite of their conditions. We were blessed to be a part of this weekly ministry.

## A time for fun....sightseeing.

A beautiful trip upriver to the Mayan ruins of Laminai. We experienced the wonder of God's creation in the animals and plants we encountered along the way. Yes, that is Geraldine, and me, (Bill), at the top of the Mayan temple. It is about six stories up, with a very steep set of stairs to get there, but the view is magnificent.

We want to thank the ladies again for all of their help and encouragement. You were truly a blessing to us and we pray the Lord bless you as you continue to serve Him as He leads.

In other news....We have heard back from the Belize Human Services department. They will be out at our base on 03/14/12 to evaluate our facility and us as we continue in the direction of foster care.

We thank each and every one of you that support us through your prayers and finances. You are a blessing to us and we thank the Lord for you.
