## Raging Battle

For our struggle is not against flesh and blood, but against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.  
Eph. 6:12

The battle rages on and all who take the name "Christian" are subject to the attacks of the enemy. The evil one who has opposed God and all that He is doing continually seeks ways to discourage or eliminate the soldiers of Jesus from staying in the war. This is what we have been dealing with the last couple months, and especially the month of February. We have been under constant attacks to leave the ministry and Belize in particular. We can't go into all of the details, but for three weeks we were actively pursuing and attacking the evil one's plans and actions. It would make sense he would not be happy. THANK YOU all again for the prayers concerning our urgent prayer request. We can tell you the Pastor and his wife have decided to leave the family business and go into their church work full time.

Prakash & Angelica

Please be in prayer for these brave workers. They have stepped out in faith to do the work the Lord has called them to. They are relying on Jesus to provide for their wellbeing and to grow the church.

Please continue to pray for us as we teach, disciple and assist these warriors in their battle for the souls of Belize.

In January the church launched the Samaritan's Purse program and we had a large amount of children that wanted to attend. So far it has been a major success the children are learning about the Bible, Jesus and how to be saved.

## Samaritan's Purse

But Jesus said, "Let the children alone, and do not hinder them from coming to Me; for the kingdom of heaven belongs to such as these."

How exciting it is to see so many children attending church. With all of the new children coming, Cindy has started a nursery. So, while Bill is preaching the message Cindy is caring for the children.

Here is Cindy teaching her Sunday School class. It has grown since this picture was taken. She has also started teaching an adult women class on Wednesdays, "The Power of a Praying Wife" There are 12 women who attend that class.

## On The Home Front

Our son Josh has taken the Arizona Bar exam and is awaiting his results. After so many years of schooling he dedicated a couple months to studying for the exam. We are sure he has done well and continue to be very proud of him. We miss both of our boys and of course the grandchildren. They grow up so fast and we see the three of them changing so much as they grow up. Pray for us as we are away from all of them in the service of the Lord.

We have entered the dry season here in Belize and everything has really dried out. The ground has already cracked and we spend quite a bit of our time watering the plants and trees. Of course that also means we are having some difficulty getting the green grass that we need for the chickens, rabbits and sheep. Bill was able to put up a temporary fence across the pasture to keep the sheep from running all over the place.

Our two female rabbits have finally had babies and we now have 12 rabbits running around the pen. It is always so nice to see babies hopping and jumping all over the place.

## Power Tower

We have had some people asking about the Power Tower and what would be the next phase. So far we have built the external building to the eleven foot height. We now need to grout the individual cells and put steel rebar in each one. But before we do that we have to drill a hole into each cell to insert a rebar, extending out from the wall for the external staircase that goes to the top of the building. With that completed we will form and pour the staircase, and then the roof of the building. To answer peoples questions, this phase should cost about \$600.00-\$800.00. We would also love to have a small team (5-8 people) come for about a week to help with this construction. So if you or your church or small group study is looking for something to do this summer, consider this as a way to help us and give back to the Lord. We would love to have you.

## Thanks

We want to send a very heartfelt thank you to all of our supporters, both financial and prayer. We know you give to us sacrificially each month and from your heart. We feel the Lord working through your gifts to this ministry, and we continually lift you up to Him. We pray for His mighty presence in your lives to achieve His will and glorify His name. We have been in full-time ministry for more than twelve years and many of you have been with us through it all. We know it can be difficult sometimes to write that check when times are hard and finances are tight, but still you give. It is truly a humbling experience to be on the receiving end of such love for us and especially for Jesus.

So again THANKS for GIVING to the Lord
